 TheVillageMedicalCentre

Welcome to The Village Medical Centre's latest newsletter! We're delighted to connect with you and share updates from our practice and valuable health information to support your well-being. This month's edition contains information about

Welcoming Angela Eagle MP to The Village Medical Centre

We were delighted to welcome Angela Eagle MP to the surgery recently.

During her visit, she met with Dr Jenny Harris and Dr Jane Fletcher, Clinical Directors for the Moreton & Meols and Wallasey Wellbeing Primary Care Networks (PCNs). Together, our PCNs represent eight local GP practices working collaboratively to improve patient care, expand access to health services, and address health inequalities across our communities.

The discussion focused on the role of primary care within the government's NHS 10-Year Health Plan and the future of our PCN.

We would love to hear your thoughts!

We have an online form which allows you to freely type your feedback about any aspect of the surgery. Alternatively, we also have forms in reception to complete.

Extended Clinics For Cervical Screening And Childhood Immunisations

We are very pleased to announce the primary care network (PCN) are going to be running evening and Saturday clinics for cervical screening as well as immunisations. These clinics will be at one of the following surgeries: Liscard Group Practice, Moreton Group Practice, Manor Health Centre, Hoylake Road Medical Centre and Hoylake and Meols Medical Centre.

The PCN will contact any eligible patients however, if you are looking for weekend or late appointments for your child's immunisations or your cervical screening, please call the surgery to arrange an appointment.

Living Well Service

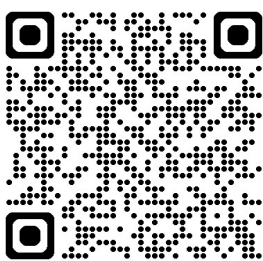

The living well service will be available throughout February and March, focusing on routine vaccinations for eligible adults and children; health checks; wellbeing conversations and support.

See below for the upcoming dates and find out more on their website:

Good Luck & Welcome

We want to wish nurse Helena all the best with her maternity leave which is due to start this month. Also, warmest of welcomes to nurse Ruth who will be covering while Helena is on leave. Nurse Ruth has many years of experience in the field and she will be working Wednesday-Friday.

And lastly we have two leavers; good luck to Dr Alaude who has completed his GP training. And good luck to Chloe from the admin team who is also leaving due to relocation.

We wish you both the very best.
